SCRUBBERS

Scrubber SMB 9001/1280 T

SMB 9001/1280 T is equipped with:

- Two disc brush battery scrubbing machine
- High quality and performance oil bath reduction gear box
- Brush holder and water recovery system with rubber wheel to prevent vertical objects damage
- Anti foam system - prevents foam formation in solution tank
- Automatic squeegee lift
- Parking brake
- Maximum comfort seat with safety switch
- Installed microprocessor for machine functions adjustment
- Flashing beacon
- Emergency stop
- Acoustic warning in reverse gear
- Inlet and outlet water filter system for maximum solution tank protection
- Squeegee assembly and blades replacement without tools
- Brush replacement without tools
- WITHOUT BATTERIES AND CHARGER

TECHNICAL DATA

Order No.:	400900128012
PRODUCTIVITY (m ² /h)	6825
SCRUBBING WIDTH (mm)	1050
SUCTION WIDTH (mm)	1280
NUMBER OF BRUSHES	2
BRUSH MOTOR (W)	2x500
TRACTION POWER (W)	1100
SUCTION POWER 2-STAGE (W)	956
BRUSHES LIFT/DROP	electronic
MACHINE MOVEMENT	traction
MAXIMUM SPEED (km/h)	0÷9
INCLINATION CLEANING (%)	16
SOLUTION TANK CAPACITY (l)	167
RECOVERY TANK CAPACITY (l)	205
RUNNING TIME (min)	~300
VOLTAGE (V/Hz)	36
NOISE LEVEL (dB(A))	75
BATTERY (number x V/Ah)	6x6/320
DIMENSIONS (LxWxH cm)	195x116x147
WEIGHT (without battery kg)	~378
WEIGHT (with battery kg)	~778
